You are young and feel ready to make your mark in the world. Everything you've ever wanted is very close—all you have to do is reach out and take it! But as you extend your hand, you realise it isn't as easy as it seems—and what was once 'oh so close' suddenly seems far away. *Magic Mantras* helps to discover the tremendous strength that is already inside you. This book is a personal guide—simply talking straight to you, the way a friend would help you especially when you are young!

In the midst of this vast and often turbulent ocean of life, we all have to cope with our given environment, try to make our planet and our immediate surroundings a little better, and most importantly, strive for a little peace of mind! Your thoughts will determine the quality of the life you choose! The magic mantras in this little book show the reader how to be the master of his or her own life and destiny.

- **The mantras in this book help an adolescent or a young adult to cope with the fast changes in life**
- **The book teaches you to think positive and believe in your abilities**
 - **You will discover who you are and what you want in life**
- **The simple mantras in this book will help you achieve your dreams**

Laxmi Dhaul is a post-graduate in biochemistry from the University of Mumbai. As an author she has penned titles across genres spanning spiritual and temporal sections. Her published works include *Guide to the Gentleman Chef* and *The Sufi Shrine of Ajmer*, among others.
