Hardback with dust jacket

Amitabh Bachchan. The name itself is enough to make anyone sit up and take notice. A name that has become synonymous with Indian cinema. One of the finest actors of our times and a demigod to many, Amitabh Bachchan, or Big B as he is fondly called by his fans, has had an indelible impact on the big screen as well as the small.

As an actor, Bachchan's career spans over an astounding five decades, having essayed myriad characters and having worked with some of the biggest names in the film industry. No words, no adjectives, no superlatives would ever be enough to sum up the complete oeuvre of Amitabh Bachchan, the actor.

In *Amitabh Bachchan: A Kaleidoscope*, Pradeep Chandra and Vikas Chandra Sinha have embarked on the near-impossible task of chronicling the course of Amitabh Bachchan's life, from his early days till date. It is filled with personal anecdotes from the man himself; quotes from his immediate family, closest friends and colleagues who have been witness to his rise to mega-stardom. With a collection of rare and never-seen-before photographs, beautiful paintings, sketches and movie stills, the book is a must-read for every Bachchan fan.

Pradeep Chandra has been a photographer, writer and painter in a career stretching over four decades. As a photojournalist, he has been associated with some of the biggest publications in the country. He has held many exhibitions that display his unique approach to photography. He has also commemorated Amitabh Bachchan's 61st and 75th birthdays by curating two multimedia exhibitions in collaboration with other artists.

Vikas Chandra Sinha is a first-time author and a lifelong Bachchan fan. He has worked with some of the biggest corporate houses in India. A student of history, art and films, this book was an opportunity for him to relive the Bachchan myth, along with a fellow art and film aficionado.

A very crisp yet detailed portrayal of Amitabh Bachchan's life—from his early days till date with interesting anecdotes from Mr Bachchan himself.

More than 300 never-seen-before photographs and a mix of movie stills and sketches.

Gives us a 360-degree view of Bachchan—the actor, the struggler, the family man, the businessman, the politician.
