# HOTEL CALCUTTA

Rajat Chaudhuri

- Illustrates the power of storytelling to light up our lives so full of uncertainties
  - Very fresh writing with original, innovative techniques employed

This novel revolves around the century-old Hotel Calcutta, its unusual guests and its uncertain future. Will it stand or be razed by land sharks? A monk prophesies that only if a wall of stories can be built, the hotel can be saved. Between techno-angst, deathless love, surreal adventure and an epidemic of thievery, this novel taps into the power of stories to light up our age of trenchant uncertainties and powerful illusions.
